

GENERAL RELEASE AND WAIVER OF LIABILITY FOR DAMAGE TO PRIVATE DRIVEWAYS, PAVEMENT, & UNDERGROUND STRUCTURES

1. **PERMISSION TO ENTER.** Customer allows FULL HOUSE CONSTRUCTION & DESIGN, INC. DBA 323 INDUSTRIES, INC., its employees, agents, and subcontractors (“Service Providers”) to enter and/or utilize the premises of the undersigned customer (“Customer’s Premises”) for the purposes of providing general contracting services (“Services”).
2. **WAIVER OF LIABILITY.** Customer releases Service Providers from, and assumes the risk of, and waives all liability caused by, and claims, demands, actions, and causes of actions whatsoever against Service Providers for damage to Customer’s Premises (such as easements, sidewalks, parking lot surfaces, street surfaces, driveways, lawns, shrubbery, gutters, and underground systems [including utilities, irrigation, underground vaults, and/or any other underground systems]).
3. **BINDING.** This acknowledgement, hold harmless, and release/assumption of risk shall be binding on all of Customer’s successors and administrators.

In signing this permission and release/assumption of risk/waiver, I hereby acknowledge and represent:

1. That I have read this release, understand it and sign it voluntarily; and
2. That I am the legal Property/Facility Owner and/or Authorized Representative of Customer and the Customer Premises at the address provided below.
